## MACON COUNTY ARC MARCH. 26, 2026 MEETING REPORT

Jesse Jones, KDØETU, Macon County ARC President called the meeting to order.

Chris Clark, KFØGUS, reported on the Spotter Training program by Joe Dietrick, KCØNOX on March 21<sup>st</sup>. In addition to the speaker, there were 16 Hams present for Joe's program on Weather and Weather Spotting at the Apple Basket.

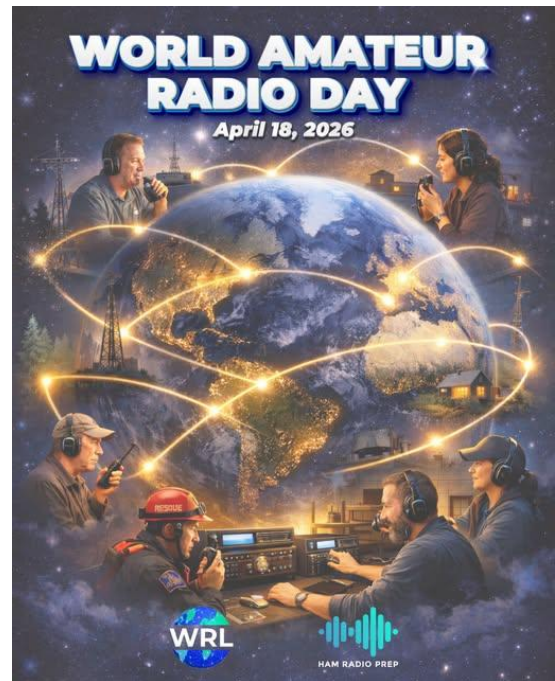

The program was excellent and there were many new informative pictures and stories in this year's presentation. Below are some Pix from Course.

Dan Will, WØPN, was unable to attend the February meeting due to his job schedule and Chris, KFØGUS made a report on his behalf. Dan has been approved by the ARRL as the Liaison for the Macon County ARC Volunteer Exam Group with ARRL VEC. Dale, KØKY, the outgoing Liaison gave Chris, KFØGUS the paper version of the VE Exams and the Records so he could take them to Dan, WØPN.

## MCARC MEMBER NEWS

Kay Eyman, WAØWOF, has now has her new Mosley PRO-67-C-3 beam installed on her tower. The Antenna covers most of the HF bands. Those bands are 28, 24, 21, 18, 14, 10, 7. I'm sure that Kay will enjoy using it to chase some DX from her La Plata home QTH.

Ron Harrison, NTØC, got some good news about his medical Treatment and he has been picking up some contacts with some exciting DXpeditions and working new Countries around the world using a variety of modes. Look out DXCC SSB, CW and Digital.
